This announcement is made by Guangdong Tannery Limited (the "Company", together with its subsidiaries, referred to as the "Group") pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules") and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the "SFO").

The board of directors (the "Board") of the Company wishes to inform the shareholders of the Company and potential investors that, based on a preliminary assessment of the Company's unaudited consolidated management accounts for the year ended 31 December 2019, the consolidated net loss of the Company for the year ended 31 December 2019 is expected to decrease by approximately 50% as compared to the audited consolidated net loss of HK\$81.24 million for 2018.

The expected decrease in the consolidated net loss was mainly due to the following factors:

- (i) a significant decrease in total gross loss, which was mainly attributable to a greater decrease in unit cost of cowhides products than in its unit selling price, resulting in a significant decrease in gross loss margin of the Group; and
- (ii) there was a substantial decrease in the impairment on items of plant and equipment during the year, as compared to the year ended 31 December 2018.

The information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts of the Company for the year ended 31 December 2019 and other information currently available to the Board, which have not been reviewed by the auditors of the Company or audited. Further, the information in this announcement is not based on any figures or information reviewed or approved by the audit committee of the Board. The Company is still in the process of finalizing its consolidated results for the year ended 31 December 2019, which are subject to possible adjustments upon further review and audit.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
